ORDER

Sub: Corrigendum to "Tariff for supply of
Electricity-2001" Booklet.

In pursuance to Tariff Order dated 24-03-2001 issued by RERC, the Jodhpur Discom has published a booklet on "Tariff for Supply of Electricity-2001", effective from 1st April, 2001.

Following corrigendum are issued to the above tariff booklet on "Tariff for Supply of Electricity-2001" published by Jodhpur Discom:-

In the said "TARIFF FOR SUPPLY OF ELECTRICITY-2001" in the "PREAMBLE" :-

1 The sub-para (9) (ii) of para (III), shall be substituted by the following, namely :-

ii) "In respect of new consumer or existing consumer where no such specific commitment is made by the Jodhpur Discom, the total connected load of the consumer in KW or highest of maximum demand recorded, whichever is less

Note: Change in contract demand shall be effected as per provisions of General Conditions of Supply"

2 The sub para (20) (i) of para (III), shall be substituted by the following, namely:

i) "The seasonal period and off seasonal period in case of new industry during first year shall be treated for the purpose of billing as notified at the time of release of connection. The seasonal period of eight months for subsequent years shall be as notified at the time of release of connection, which can be modified by one month's notice prior to commencement of season".

3 The sub-para (21) (d) of para (III), denoting "Concessions in Minimum Billing" shall be substituted by the following, namely:-

(d) "In case of Sick Industries, not lying disconnected, instead of prescribed Minimum Billing, actual consumption charges plus Fixed Charges subject to a minimum of 50% of prescribed minimum billing for one year at first instance shall be charged.

2

Thereafter, it may be extended on year to year basis subject to the condition of furnishing sickness certificate from RFC/RIICO/Industries Department/BIFR. This concession would be allowed only to those sick industries/units against whom no arrear of electricity are outstanding".

4. "In the sub-para (21) (f) of para (III), the word "Sick" shall be added between the words "In case of" and "Industrial Units", in its first line".

In the said "TARIFF FOR SUPPLY OF ELECTRICITY-2001" in the "LOW TENSION TARIFF" PART-1 of the "TARIFF STRUCTURE" :

5. The sub-clause (A) of Clause (b) denoting "Character of Service" under "Domestic Service (Schedule DS/LT-1)", shall be substituted by the following, namely:

"(A)(1) Electrification of Multistorey complex/buildings and Large Buildings:

- | | | |
|---------|--|---|
| i) | Having Super built up area upto 8000 Sq.Ft. & sanctioned Connected Load upto 50 KW | Single phase 220/250 V or Three Phase 400/440V |
| ii) | Having Super Built up area above 8000 Sq.Ft. | 11KV or 33KV whichever is technically feasible at the discretion of the Jodhpur Discom. |
| (A) (2) | Permanent connections to owner or occupant of individual apartment or building and for common facility of multi-storey complex/building & Large buildings. | Single phase 220/250 V or Three Phase 400/440 V irrespective of load. |

(i) For residential Multistorey Complex/Large buildings belonging to single person or his family members where connection is in the name of owner, and is upto 50 KW load and upto 10,000 Sq.Ft. super builtup area, supply voltage shall be 400/440 V.

(ii) Multistorey Complex/Building and Large Building where designed load or load requirement is more than 1500 KVA, the supply voltage shall be 33KV and above.

(iii) Where in a residential multistorey complex/building and Large building, some flats are used for non-domestic purposes, then the consumption of common utilities shall be segregated in proportion to number of bonafide residential consumers and number of non residential type consumers for the application of schedule DS/LT-1 and NDS/LT-2.

du

6. The Item-(ii) of sub-clause (B) "All others" under Clause (b) denoting "Character of Service" under "Domestic Service (Schedule DS/LT-1), shall be read as under, namely:

(ii) For Sanctioned connected load above 50 KW 11KV or 33KV whichever is technically feasible at the discretion of the Jodhpur Discom.

7. At the end of the Clause (e) denoting "Power Factor Clause under "Domestic Service (Schedule DS/LT-1), the following words shall be added, namely:

"Rate of incentive and surcharge shall be applicable w.e.f. 24-06-2001, provided that surcharge shall not be levied before the expiry of three months'notice".

8. The Clause (a) denoting "Applicability" under "Non-Domestic Service (Schedule NDS/LT-2), shall be substituted by the following, namely;

"(a) Applicability:

Non-Domestic supply shall include all categories which are not covered by other tariff schedule of Part-I as mentioned below:

DS/LT-1	PSL/LT-3	AG/LT-4
SP/LT-5	MP/LT-6	ML/LT-7

and includes supply of energy for light, fans, heating and power appliances in Commercial and Non-domestic establishments such as shops, business houses, places of public worship, hostels, hotels, restaurants, petrol pumps, service stations, garages, auditoriums, cinemas, hospitals, nursing homes, dispensaries and Doctor's clinics which are used for private gains, unrecognised educational institutions and telephone exchanges, Jojoba Cultivation, Goshalas and nurseries etc. and such portion of residential premises used for the conduct of business or any other activity of these commercial and non-domestic establishments. Also offices of the Advocates not situated at his residence. However, offices of the Advocates situated at his residence, without employing any person, shall be covered under Domestic category.

9. The Clause (b) denoting "Character of Service" under "Non-Domestic Service (Schedule NDS/LT-2), shall be substituted by the following, namely:

"(A) (1) Electrification of Multistorey complex/buildings and Large buildings:

i) Having Super built up area upto 8000 Sq.Ft. & sanctioned Connected Load upto 50 KW Single phase 220/250 V or Three Phase 400/440V

m

- ii) Having Super Built up area above 8000 Sq.Ft. 11KV or 33KV whichever is technically feasible at the discretion of the Jodhpur Discom.
- iii) For Restaurants, Hotels without star ratings, Schools, Godowns, Dharmshalas upto 50 KW load & upto 10,000 Sq.Ft. super built up area. Three Phase 400/440 V
- (A) (2) Permanent connections to owner or occupant of individual apartment or building and for common facility of multi-storey complex/ building & Large buildings. Single phase 220/250 V or Three Phase 400/440 V irrespective of load.
-

Note: Multistorey complexes/buildings and Large Buildings where designed load or load requirement is more than 1500 KVA the supply voltage shall be 33KV and above".

10. "The Note-(iii) below Clause (c) denoting "Rate of Charges" under "Non-Domestic Service (Schedule NDS/LT-2)", shall be substituted by the following, namely;

(iii) "For Jojoba Cultivation' and 'Goshalas', the entire consumption would be charged at half of the Energy Charges applicable for other consumers under this Schedule".

11. At the end of the Clause (e) denoting "Power Factor Clause" under "Non-Domestic Service (Schedule NDS/LT-2)", the following words shall be added, namely ;

"Rate of incentive and surcharge shall be applicable w.e.f. 24-06-2001, provided that surcharge shall not be levied before the expiry of three months'notice".

12. At the end of the Clause (d) denoting "Power Factor Clause" under "Public Street Lighting Service(Schedule PSL/LT-3)", the following words shall be added, namely ;

" Rate of incentive and surcharge shall be applicable w.e.f. 24-06-2001, provided that surcharge shall not be levied before the expiry of three months'notice".

13. In the Clause (a) denoting "Applicability" under "Agriculture Service - Metered Supply (Schedule AG/MS/LT-4)", the word "Jojoba Cultivation" has been deleted and the revised Clause shall be read as under, namely :

"(a) Applicability:

Available to Pumping sets used for agricultural purpose, Public Gardens belonging to the Government/Local Body, Community/Co-operative Lift Irrigation Scheme, Fisheries. Also available to Poultry Farms except Hatcheries if a separate connection is taken for Poultry Farm and electricity therefrom is exclusively used for Poultry Farming".

14. At the end of sub-clause (3) of Clause-(e) denoting "Installation of Shunt Capacitors under Agriculture Service - Metered Supply (Schedule AG/MS/LT-4)", following sentence shall be added, namely ;

"Provided that aforesaid rate of surcharge will be effective from 24-06-2001 and for the intervening period a rate of surcharge as per pre-revised tariff shall be applicable".

15. At the end of sub-clause (2) of Clause (e) denoting installation of Shunt Capacitors under "Agriculture Service - Flat Rate Tariff (Schedule AG/FR/LT-4)", following sentence shall be added, namely ;

"Provided that aforesaid rate of surcharge will be effective from 24-06-2001 and for the intervening period a rate of surcharge as per pre-revised tariff shall be applicable".

16. At the end of the Clause (e) under "Medium Industrial Service (Schedule MP/LT-6)", denoting "Power Factor Clause", the following words shall be added, namely;

"Rate of incentive and surcharge shall be applicable w.e.f. 24-06-2001, provided that rate of surcharge as per pre revised tariff shall be applicable till 24-06-2001".

17. "In the Clause (a) denoting "Applicability" under "Bulk Supply for Mixed Load (Schedule ML/LT-7)", the words "including Transmitters", shall be replaced by the words "and their Transmitters".

18. At the end of the Clause (e) denoting "Power Factor Clause" under "Bulk Supply for Mixed Load (Schedule ML/LT-7)" the following words shall be added, namely

"Rate of incentive and surcharge shall be applicable w.e.f. 24-06-2001, provided that surcharge shall not be levied before the expiry of three months'notice".

In the said "TARIFF FOR SUPPLY OF ELECTRICITY-2001" in the "HIGH TENSION TARIFF" PART.II of the "TARIFF STRUCTURE".

re

19. The Clause (a) denoting "Applicability" under "Large Industrial Service (Schedule LP/HT-1)" shall be substituted by the following, namely

"(a) Applicability:

Available as primary power to Large Industrial Power Consumers, Printing Presses, Government Lift Irrigation Projects, IOC/HPC etc. Pumping Stations, Railway Traction Load, Water Supply by RIICO in RIICO Industrial Areas and Water Works for Public Supply and Water Supply by Trusts/Local Bodies, pumping Back Seepage Water by IGNP, Handicraft, Textile, Dyeing and Printing Industries, Cold Storage, Software Units and Flour Mills, having sanctioned connected load above 150 HP/125 KVA sanctioned contract demand.

20. At the end of the Clause (e) under "Large Industrial Service (Schedule LP/HT-1)" denoting "Power Factor Clause", the following words shall be added, namely;

"Rate of incentive and surcharge shall be applicable w.e.f. 24-06-2001, provided that rate of surcharge as per pre revised tariff shall be applicable till 24-06-2001".

In the said "TARIFF FOR SUPPLY OF ELECTRICITY-2001" in the "TARIFF FOR TEMPORARY SUPPLY", PART.III of the "TARIFF STRUCTURE" :-

21. The sub-clause (3) under Clause-(c) denoting "Rate of Charges", in Part-III denoting "(IX) Tariff for Temporary Supply" shall be substituted by the following, namely;

"(3) LT Industrial Service (other than for construction purposes)	Tariff under schedule SP/LT-5 or MP/LT-6 for corresponding permanent supply plus 50%
---	---

Note: No separate metering arrangement for factory lighting is required under this supply. The consumption for residential quarters/temporary residential sheds shall however, be separately metered charged under the Tariff Schedule DS/LT-1 for corresponding permanent supply, plus 50% as per item (1) above.
