No.JdVVNL/MD/CE(HQ)/SE(RA&C)/JU/2012-13/D. 1763 Dt. 22/06/12.

CLARIFICATION

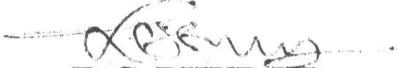

Sub: Regarding voltage rebate in tariff for the connections released on 33KV supply instead of 11KV for which the consumer is entitled to be supplied power.

The matter of allowing voltage rebate in tariff for the connections released on 33KV supply instead of 11KV for which the consumer is entitled was discussed in 29th Discoms Coordination Forum meeting held on dtd 14.11.11 wherein it was decided to review the order Comml.JDP/403 dtd 30.07.07. Accordingly, an order Comml.JDP/561 dtd 24.01.12 was issued and all the concerns were enjoined that the voltage rebate of 3%, 4% and 5% be allowed to all consumers according to their voltage of supply as 33KV, 132KV and 220KV respectively with immediate effect.

Doubts have been raised by field officers regarding date from which the voltage rebate has to be allowed, as the order Comml.JDP/561 was issued on dtd 24.01.12 whereas the Tariff-2011 was applicable w.e.f.11.09.11.

The matter has been examined and it is clarified that voltage rebate as per Comml.JDP/561 has to be allowed w.e.f. dt. 11.09.11(date of Tariff-2011 came into force).

By order,
