Sub:- Writing off of outstanding dues upto Rs. 500/-.

<><><><><><>

It has been observed that in a number of cases outstanding dues against such consumers are pending who are not traceable and the connection is lying permanently disconnected for years together and even the recovery is not feasible under EUDR Act.

This was discussed by the coordination committee in its meeting held on 1.6.2001 and it was decided that outstanding dues upto Rs. 500/- in each case be written off after adjustment of the amount of security deposit and in case, where the record of security deposit is not available outstanding upto Rs. 500/- be written off with the remark that the amount of security deposit shall stand forfeited. The concerned AEN & ARO are authorised to write off such outstanding dues after recording a certificate that such dues are outstanding for more than 5 years against the permanently disconnected consumers (not traceable) and its recovery is not possible under EUDR Act.

All concerned are advised to take action as above and a monthly progress report compiled at the circle level and sent to Chief Accounts Officer by 15th of next month.
