O R D E R

**Sub: Clarification in respect of applicability  
of the provisions of Order No.Comml.-449  
& Comml.JDP-30 in case of Schools.  
Dharamshalas and Godowns.**

\*\*\*\*\*

Certain doubts have been raised by the field officers regarding implementation of the Order No.3305 dated 27-11-1999 (Comml.449) partially modified vide Order No.D.86 dated 25-04-2001 (Comml.JDP-30). It stipulates that Restaurants/Hotels without any star rating, schools, Dharamshalas and Godowns having super built-up area upto 10,000 Sq.Feet, connections can be released on LT System. if the load requirement is upto 50 KW only.

Further meaning of the word "Schools" in the aforesaid orders is restricted upto the "Senior Secondary Schools" only i.e. schools imparting formal education upto Senior Secondary level (upto class XII only).

In addition to above, Zonal Chief Engineers are henceforth authorised to relax the applicability of the provisions of Comml.449 on case to case basis for schools, godowns and dharamshalas where though super built-up area is more than 8,000 Sq.Feet but the load requirement is much less than 50 KW (other stipulated conditions remaining same).

  
SUPERINTENDING ENGINEER(COMMERCIAL)
