**ORDER**

**Sub.: Direction regarding notification of planned outages.**

It has been noticed that consumers are not been notified in case of planned outages (Maintenance and load shedding) well in advance whereas the generating stations and EHV Sub-stations are kept under planned outages. This results in inconvenience to plan schedules of consumers.

Therefore, in order to ensure compliance of BRAP 2019 it is directed to all field officers that they shall notify consumers regarding planned outages (Maintenance and load shedding) for next one month in advance.

It is further intimated that the field officers may notify the outage information online on the link([www.urjamitra.com](http://www.urjamitra.com)) provided on website [www.energy.rajasthan.gov.in/jdvvn](http://www.energy.rajasthan.gov.in/jdvvn) as well as in newspapers.
