**CIRCULAR**

**Sub.: Regarding charging the cost of construction/erection of 33KV line for providing construction power to new EHV sub-station of RVPNL.**

In the 17<sup>th</sup> Co-ordination Committee meeting of Rajasthan State Power Sector Companies held on dtd.15.05.2019. it was proposed that during construction of EHV substation of RVPN if temporary connection by RVPN is desired then it could be provided by erection of any proposed 33KV interconnection line mentioned in project report of such EHV substation and may be charged on 33KV or 11KV as per site conditions, cost of such line be not charged from RVPN as the same shall be utilized by Discom for interconnection after completion of EHV substation of RVPN.

In view of the above the Coordination committee of Rajasthan State Power Sector Companies in its 17<sup>th</sup> meeting held on dtd.15.05.2019 decided that:

- i) Cost of construction/erection of 33KV line alongwith suitable transformer (33/0.4KV or 11/0.4KV) for providing construction power to new EHV sub-station of RVPNL, shall not be chargeable to RVPNL by Discom.
- ii) The temporary connection shall be released by Discom as per TCOS by installing metering arrangement at 400Volts level. After commissioning of EHV Sub-station of RVPNL, such temporary arrangement of metering and transformer etc. may be removed by the Discom.

All concerned are directed to make strict compliance of the above direction.

By Order,
