ORDER

Sub: To consider third party testing of transformer.

During the 19th Coordination Committee meeting held on dtd.30.07.2019, the proposal of third party testing of the transformers from BIS recognized, ISO and NABL accredited laboratories prior to installation in residential/commercial building, JDA, RHB, RIICO and other Govt. and private departments was discussed. The committee agreed to the proposal initially for six months with following conditions :-

1. Third party testing of transformers shall be accepted from BIS recognized, ISO and NABL accredited laboratories prior to installation in residential/commercial building, JDA, RHG, RIICO and other Govt. and private departments and others.
2. Only those Third Party Labs shall be approved which are located at the places where Central Testing Lab (CTL) for testing of transformers of concerned Discom are located.
3. Testing charges for testing in aforesaid Third Party Labs shall not be more than prevailing rates of Discoms CTL.
4. Discoms reserve the right to re-test any of the samples tested by the Third Party Labs.

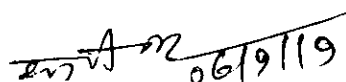

The above decision of the Coordination Committee shall be followed in JdVVNL. For implementation of above following procedure is hereby prescribed for checking of electrical parameters for different rating of transformers to be installed by the applicants/prospective consumers :

- i. The standard electrical parameters of transformers should be informed to the prospective consumer through demand notice (while issuing Demand Notice) with an intimation that compliance of the parameters shall be checked in the Third Party Lab applicant's cost.

(Signature)

- ii. The transformer shall be transported to the Third Party Lab by the consumers on recommendations of the concerned AEN (O&M).
- iii. The testing Fee shall be deposited by the consumer with Third Party Testing Lab Agency.
- iv. The testing of the transformer will be done at the Third Party Testing Lab and after testing, the test report shall be forwarded by the lab to XEN (CTL), JdVVNL, Jodhpur (through mail and hard copy as well), concerned AEN(O&M) and the consumer.
- v. In case the transformer conforms to Nigam's specified parameters, the transformer would be sealed by the Testing Lab as per JdVVNL's procedure and sealing details be mentioned in the test report. Further, Third Party Testing Lab have to provide non detachable identification plate on transformer containing following details:
Tested on:
Name of Testing Agency:
- vi. The tested transformer is to be handed over to the concerned AEN (O&M) by the lab.
- vii. The Third Party Lab shall furnish monthly statement of the transformer tested during each month, up to the 10th day of succeeding month to Superintending Engineer(I&S), JdVVNL, Jodhpur. The monthly statement shall contain details such as Name of Applicant/Consumer, transformer rating, AEN (O&M) letter ref. dt. of test, Testing charges, transformer failed or passed, in the prescribed format issued by JdVVNL.
- viii. The basic electrical parameters for testing of transformers shall remain same as per Comml.JDP/488 and subsequent orders/BIS/BEE Norms/latest MM Wing Specifications..

By Order,

(M.R.MEENA)
