ORDER

Sub.: Re-connection of connections disconnected consequent upon vigilance checking.

It has been observed that in many cases where connections have been disconnected due to detection of theft for which VCRs have been drawn and assessment notices sent to the consumers, but after depositing the necessary assessment along with compounding charges, Re-connection order not issued and consumer started drawing electricity assuming that his case is settled for re-connection also.

To avoid such instances, Sub-Divisional Officer shall ensure that in theft cases where after disconnection, necessary assessment along with compounding charges have been deposited by consumer, necessary re-connection charges be also deposited along with final assessment made so that Re-connection order could be issued to regularize the connection.

All concerned are directed to comply with the above directions.

By Order,

(S.K. SHARMA)
