Sub: Approval for carrying out the electrification work and shifting of existing lines by the local bodies-themselves.

01) Various local bodies are approaching and requesting to allow them to undertake electrification works (11KV/LT) and shifting of existing electric lines (33KV, 11KV & LT) for the development of new colonies/complexes, road widening etc.

02) The matter has been considered and decided to extend the permission to local bodies (irrespective of whether engineers from the erstwhile RSEB/successor companies are on deputation or not) as granted to RHB/UIT/Municipalities vide the erstwhile RSEB Order No.RSEB/DCO/C.I/F.4(117)/95 /D.521 dated 02-03-1995 (Comml-36) and subsequent amendments/clarifications on the terms and conditions contained in these orders.

03) The local bodies will furnish the scheme for the electrification/shifting to the concerned sub-divisional office of Jodhpur Discom and the Circle Superintending Engineers are authorised to accord approval to such schemes. Superintending Engineers would also nominate XENS/AENS/JENS for the individual works for strict quality control of material and workmanship.

04) Supervision charges @15% of the actual cost (Material+Overhead) of electrification/shifting work is to be recovered from the concerned local bodies carrying out the said works.
