

No.JdVVNL/MD/CE(HQ)/SE(RA&C)/JU/2018-19/D. 186 Dt. 07.05.18

ORDER

Sub.: Regarding Self-certification of installation.

The Central Electricity Authority (Measures relating to Safety and electric Supply) Regulation, 2010 as amended from time to time stipulates as under:

- a) Every electrical installation of notified voltage and below shall be inspected, tested and shall be self-certified by the owner of the installation before commencement of supply or recommencement after shutdown for six months and above for ensuring observance of safety measures specified under CEA (Measures Relating to Safety and Electric Supply) Regulation, 2010 as amended from time to time and such owner shall submit the report of self-certification in the Form-I or Form-II or Form-III, as the case may be, as per annexure of Comml.JDP/708 to the Electrical Inspector.
- b) The voltage above which inspection and testing of electrical installations including installations of supplier or consumer shall be carried out by the Electrical Inspector shall be notified by the appropriate Government.

In view of above, State Government has issued a notification on dated March 21, 2016 and notified that 33 KV (kilo-volts) is the voltage, above which, inspection and testing of electrical installation including installations of suppliers or consumers shall be carried out by the Electrical Inspector.

ey

Subsequently, Discom has issued an order Comml.JDP/708 dated 11.05.2016 regarding self-certification of the installation.

It is observed that only individual consumers are complying with the provisions of the order Comml.JDP/708, but UDH/ Local Self Govt. Deptt. (LSGD)/RIICO/RHB and other private developers are not following the provisions of said order, and not obtaining the desired approval as per provisions of CEA Safety Regulations.

In order to ensure compliance of Safety measures as per CEA Safety Regulations, all field officers are directed to ensure before energizing the system or taking over the work carried out by the UDH/ Local Self Govt. Deptt. (LSGD)/ RIICO/ RHB and other private developers that every electrical installation of notified voltage and below has been inspected, tested and self-certified by the owner of the installation as per provisions of the order Comml.JDP/708 and the provisions of CEA (Measures relating to Safety and Electric Supply) Regulation, 2010 as amended time to time.

By Order,

(M.R.MEENA)
