ORDER

Sub.: Release of Industrial Connections.

The matter of releasing Industrial Connections was discussed at length. The following provisions of TCOS are reiterated and accordingly following measures have been decided to be taken by the field officers as to maintain uniform procedure/practice:

1. **Accepting the application on prescribed supply voltage:**

The voltage of supply is prescribed under the Clause-2 (category of consumer and character of service) of TCOS-2004. The field officers are advised to accept the applications in accordance with the voltage level as prescribed under the aforesaid Clause.

2. **Incomplete Application :**

As per provision of Clause 4(10) of TCOS-2004, it is laid down that in case of deficiency or incomplete application, the applicant should be informed of such deficiencies within 7 days of the receipt of application. If the deficiency is not removed by the applicant within 30 days from the date of receipt of such intimation, the application will stand cancelled and the application fee forfeited.

3. **Cancellation/Withdrawal of pending applications :**

In view of Clause 8 (B) (4) of TCOS-2004, it is advised to issue Demand Notices to the applicants through Registered Post to deposit the additional amount within a period of one month from the date of Registered Post and if the applicants fails to deposit the amount of Demand Notice within one month, then a notice of 30 days as per Clause 5(2) of TCOS-2004 again be issued to the applicant by Registered Post to deposit additional sum required for extension of

distribution mains, failing which the application shall be treated as withdrawn by the applicant.

4. **Delay on part of applicant to take supply:**

In the cases where the work required for providing supply of electricity to the applicant, has been completed, but the installation of the applicant is not ready to receive supply, then a Notice to the applicant be issued to take supply within 60 days of service of Notice and if the applicant fails to take supply within the notice period, then fix charges as per applicable tariff be recovered from the applicant for the completed months after expiry of notice till the applicant takes supply. However, such recovery shall be restricted to a maximum of 12 months. Such condition may also be mentioned in the notice to be issued to the consumer.

5. **Completion of Job Work :**

In accordance with the existing Clause 4(5) of TCOS-2004, the applicant requiring HT connection is allowed to submit L-Form separately after the application. In view of this existing provision, it is advised that in the cases where applicant has deposited the amount of demand Notice, the work related with extension of distribution mains may be completed without waiting for submission of L-Form by the applicant. However, the same may be obtained prior to issue of service connection order (SCO).

It is, therefore, enjoined upon all concerned to ensure strict compliance accordingly.

By Order,

(P.S.SHEKHAWAT)
