No. JPD/CE(O&M)/SE (RE)/F. 1201/D

ORDER

Sub:- Regarding release of agriculture connections in year 2011-12

As per order no. 1921 dt. 24.03.2011 (REO-222) instructions were issued that demand notices for the pending Ag. Applications received between 1/1/2008 to 31/12/2008 be issued in two phases during FY 2011-12.

At present more than 65000 DN have been deposited and there is acute shortage of power, which is likely to continue till more generating stations are not commissioned which is expected by 2012-13. The Financial condition of Discom is also not in a position to take the large burden of releasing more number of Agriculture connections in the financial year itself.

Hence issuance of demand note of 2nd phase Agriculture connections in F.Y 2011-12 which were due to be issued from 16.9.2011 were stopped temporarily. Now it is decided that Demand Note of 2nd Phase agriculture connection be not issued till matter is decided by Coordination Committee.
