NOTICE INVITING TENDER

Sealed tenders are invited for supply of following items for Kota Super Thermal Power Station

Sr. No	NIT No.	UBN	Particulars	Estimated Cost (in Lakh Rs.)	Earnest Money in Rs.	Tender Cost in Rs.	Due Date of opening
1	TN-25028	RVU1718G SOB01201	Supply of Silica Gel	3.81	7300.00	236	16.11.17

(A) The tender documents of tenders at sr. no. 1 can either be downloaded from SPP portal or can be physically purchased from the office of Dy. CE (MM) on any working day between 10.00 AM to 5.00 PM as per date applicable.

For Supply Tenders

- (1) Purchase of tender specification (non transferable) is essential for participation in bids and this can be had from the office of the Dy. Chief Engineer (MM) on any working day from 10.00 AM to 5.00 PM but up to 2.00 PM one day before due date by remitting the tender cost (Non refundable) as above either by cash or/DD payable at Kota in favor of AO (KTPS), RRVUNL, Kota. The tenderer shall make specific request for each tender separately.
- (2) Tender documents will be issued only to prima facie qualifying parties after scrutinizing of documents furnished by intending tenderer along with their request for issue of tender documents. However such issue of tender documents will not automatically construe that bidder is considered qualified. Such qualification will be reviewed at the time of evaluation also.
- (3) The tenders shall be received up to 3.00 PM one day before due date of opening in the office of the Dy. Chief Engineer (MM) and these shall be opened at 3.30 PM on the due date in presence of tenderer or their representatives who may like to be present. If the date of tender opening happens to be a holiday, the tenders will be accepted and opened on next working day.
- (4) Tender without earnest money & details super scribed on the envelope or accompanied inadequate amount shall not be entertained and in such cases tender shall be returned to the tenderer without being opened, EMD in form of DD in favor of AO (KTPS), RRVUNL, payable at Kota shall be furnished in separate envelope along with tender, EMD shall not be accepted in the form of BG or in any other form.
- (5) This office reserves the right to cancel / reject any or all tenders at the time of evaluation without giving any reasons. Not with standing anything stated above the purchaser reserves the right to assess the bidder's capability and capacity to perform the contract, if circumstances warrant such assessment in the overall interest of RVUN. The decision of purchaser in this regard shall be final.

(For Work Tenders)

- (1) For above tenders only the sealed Tenders are invited for the above detailed works contracts from experienced/registered contractors. Tender documents can be purchased from the concerned office of Addl. Chief Engineer / Dy. Chief Engineer /Superintending Engineer of KSTPS, RVUN, Kota up-to one day before tender opening date mentioned against each by remitting tender cost in cash/DD in favour of Accounts Officer (KTPS) RRVUNL, Kota. The tenders shall be received up to 3.00 PM on due date of opening and these shall be opened at 3.30 PM on the due date in presence of tenderer or their representatives who may like to be present . If the date of tender opening happens to be a holiday, the tenders will be accepted and opened on next working day. They should also furnish the necessary documents / attested copies in support of meeting qualifying requirement either at the time of prior to issue of tender documents or positively while submission of tender documents. Tender documents can also be downloaded free of cost from website www.sppp.rajasthan.gov.in. Tender cost of requisite amount has to be furnished along with technical bid in separate envelop.
- (2) Tender without earnest money & details super scribed on the envelope or accompanied inadequate amount shall not be entertained and in such cases tender shall be returned to the tenderer without being opened, EMD/Tender cost in form of DD in favor of Accounts officer (KTPS), RRVUNL, payable at Kota shall be furnished in separate envelope along with tender, EMD shall not be accepted in BG or in any other form.
- (3) This office reserves the right to cancel / reject any or all tenders at the time of evaluation without giving any reasons. Not with standing anything stated above the order placing authority reserves the right to assess the bidder's capability and capacity to perform the contract, if circumstances warrant such assessment in the overall interest of RVUN. The decision of order placing authority/ purchaser in this regard shall be final.

QR for TN-14028

1. The bidder should be manufacturer of Common Salt. The bidder should furnish document as a proof of being manufacturer of the required material.
2. The participating bidder should have experience for supply of common salt as per IS-797:1982 with latest amendment to Thermal Power Plants/Govt./PSU or big private industries and shall have to furnish the copy of purchase order. The Purchase Order must not be older than three years for the date of NIT.
3. The participating bidder shall have to furnish copy of Balance Sheets and profit & Loss Account statements as per latest I.T.C.C, duly certified by the chartered accountant for immediately preceding three financial years to establish the average annual turnover of Rs. 20 Lacs or above.
4. The manufacturer should have fully fledged washing units for processing of salt.
5. Participating Bidders should have valid GSTIN registration and copy of the same must be furnished along with Bid.

Note:-

1. Please note that bidder read carefully qualifying requirement of tender and should be upload all required documents accordingly along with bid.
2. Bidders not fulfilling qualifying requirements are advised not to upload their bid against this bid specification, in absence of any documents towards qualifying requirement, the tender shall not be considered for further evaluation and bid shall liable to be rejected

QR for TN-13060

1. The firm should have supplied the similar items to NTPC/PSU Thermal Power Plant during last Three years.
 - a. Three orders with minimum order value of 4 lacs each
Or
 - b. Two orders with minimum order value of 7 lacs each
Or
 - c. One order with minimum order value of 13 lacs each
2. The firm should be original manufacturer or authorized dealer.
3. The average annual turnover for last three years of the bidder should be above Rs. 16.00 lacs per annum. The bidder must submit certificate regarding turn over by a certified chartered accountant.
4. Participating Bidder should have valid GSTIN No. PAN card Number and necessary documents must be furnished along with the bid.

Note :-The bidder should furnish all documents related to QR along with tender document failing which the bid shall be rejected.

QR for TN-13061

1. The participating bidder should be the original equipment manufacturer (OEM) or the authorized dealer/ distributor of the original equipment manufacturer (OEM) having valid certificate / authorization letter from their principal manufacturer. For this bidder shall have to furnish copy of the same along with bid.
2. The participating bidders should have past experience for supply of similar items i.e. various Pressure Transmitters, DP Transmitters, Flow transmitters and fuel oil transmitters to power plants/ Government Department/ PSU's. For this bidder shall have to furnish the self attested copy of the purchase order in support of supply experience with bid as follows:
 - a). Three similar Purchase order copies costing not less than 8 lacs each.
OR
 - b). Two similar purchase order copies costing not less than 10 lacs each.
OR
 - C). One similar purchase order copy costing not less than 13 lacs.

The purchase order must not be older than five years from date of NIT.

3. The participating bidder shall have to furnish copy of balance sheets and profit & loss accounts statements as per latest I.T.C.C, duly certified by the chartered accountant for immediately preceding three financial years to establish the average annual turnover of Rs. 16.00 lacs or above.

QR for TN-25027

1. The participating bidder should be the original equipment manufacturer or the authorized dealer / distributor of the original equipment manufacturer (OEM) having valid certificate/authorization letter from their principal manufacturer. For this bidder shall have to furnish the copy of the same along with the bid.
2. The participating bidder should have past experience for supply of HT Fasteners to Government Departments / Power Plants / PSU's. For this bidder shall have to furnish the self attested copy of previous purchase orders, executed in last three years, in support of supply experience along with Bid.
3. The participating bidder should submit copy of Balance Sheet/Annual financial statements duly certified by the chartered accountant for previous three financial years to establish the average annual turnover of value Rs 40.00 Lcs along with the bid.
4. The participating bidder should submit self attested declaration along with bid that he has no pending purchase order (s) in RVUNL.
5. Participating Bidders should have valid GST No. registration and supporting documents must be furnished along with Bid.

QR for TN-4449

The firms participating in the tender enquiry should fulfill the following qualifying requirements:-

1. Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than the amount calculated on prorata basis for 12 months of the total estimated value of the work or be at-least 30% of the total estimated value of the work, whichever is higher.
2. The bidder must have an experience of having successfully executed/ completed the contract for similar nature works in last 7 years ending last day of the month previous to bid opening date with either of the following executed value (s) of the contract(s):
 - a. Three executed/ completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
 - or
 - b. Two executed/ completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
 - or
 - c. One executed/ completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

“Similar work” means firm have sufficient knowledge and working experience in the field of “Belt jointing, laying & removing” in any of the industries like Process Industries/ Thermal Power Plant/ Cement Industry/ Refinery/ Fertilizer Plants etc.

3. The participating bidders should have GST registration, PF registration, PAN card, ESI registration and labour license (if required).

4. The bidder should submit satisfactory performance certificate/ work completion certificate for similar nature of works executed by the firm and these should be signed by the order placing authority of concerned organizations and performance certificate for RVUNL works issued on or after dated 06.01.2017 should be signed by the concerned Chief Engineer /Incharge of power station/ project.
5. The bidder should submit an undertaking on non judicial stamp paper worth Rs. 100.00 with the certificate mentioning in it that the firm has no liability in the concerned department regarding deposition of CPF, ESI, Service Tax etc up to 31.03.17

QR for TN-4450

The firms participating in the tender enquiry should fulfill the following qualifying requirements:-

1. Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than the amount calculated on prorated basis for 12 months of the total estimated value of the work or be at-least 30% of the total estimated value of the work, whichever is higher.
2. The bidder must have an experience of having successfully executed/ completed the annual contract for similar nature works during last 7 years ending last day of the month previous to bid opening date with either of the following executed value (s) of the contract(s):
 - a. Three executed/ completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
or
 - b. Two executed/ completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
or
 - c. One executed/ completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

“Similar work” means the bidders should have executed Mechanical Maintenance works in CHP area in coal based Thermal Power station or Mechanical Maintenance works in Coal Handling Plant of coal mines / Iron & Steel Plants / Cement Plants / Aluminum Plants / Any other Industrial Establishment.

3. Satisfactory performance certificate/ work completion certificate for similar nature of works executed by the firm and these should be signed by the work placing authority of concerned organizations and performance certificate for RVUNL works issued on or after dated 06.01.2017 should be signed by the concerned Chief Engineer /Incharge of power station/ project.
4. The participating bidders should have GST registration, PF registration, PAN card, ESI registration and labour license (if required).
5. The bidder should submit an undertaking on non judicial stamp paper worth Rs. 100.00 with the certificate mentioning in it that the firm has no liability in the concerned department regarding deposition of CPF, ESI, Service Tax etc up to 31.03.17

QR for TN-4451

The firms participating in the tender enquiry should fulfill the following qualifying requirements:-

1. Average Annual financial turn over in the preceding three completed financial years as on date of bid opening should not be less than the amount calculated on prorated basis for 12 months of the total estimated value of the work or be at least 30% of the total estimated value of the work, whichever is higher.
2. The bidder must have an experience of having successfully executed / completed the annual contract for similar nature works in any of the thermal power plant (s) / gas power plant (s) / any process industries during last 7 years ending last day of months previous to bid opening date with either of the following executed value(s) of the contract(s):-
 - (a) Three executed/completed contracts, as above, are costing not less than the amount equal to 40% of the estimated cost each.

OR

- (b) Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each.

OR

- (c) One executed/completed contracts, as above, costing not less than the amount equal to 80% of the estimated cost each.

3. Similar work means firm should have experience of carrying out maintenance / overhauling of either electrical or mechanical equipments like Motors, Air Conditioning Plant, Evaporative Cooling Plant, Package Air Conditioners, Portable Air Conditioning Fan Coil or Pumps Units in any of the thermal power plant (s) / gas power plant (s) / any process industries .
Copy of work order (s) in support of these works to be submitted with bid document alongwith performance certificate.
4. Satisfactory performance certificate / work completion certificate for similar nature of work executed by the firm & these should be signed by the order placing authority of concern organization and performance certificate for RVUNL works issued on or after 06/01/2017 should be signed by the concern Chief Engineer / incharge of power station / project.
5. The participating bidders should have GST registration, PF Registration, PAN card, ESI registration and labour license (if required) and electrical license (Class-A).
6. The bidder should be submit an undertaking on non-judicial stamp paper worth Rs. 100.00 with the certificate mentioning in it that the firm has no liability in the concerned department regarding deposition of CPF, ESI, GST etc. upto 31/03/2017. (Original copy should be submitted alongwith EMD and tender cost DD)

QR for TN-4452

The firms participating in the tender enquiry should fulfill the following qualifying requirements:-

1. Average Annual financial turn over in the preceding three completed financial years as on date of bid opening should not be less than the amount calculated on prorata basis for 12 months of the total estimated value of the work or be at least 30% of the total estimated value of the work, whichever is higher.
2. The bidder must have an experience of having successfully executed / completed the annual contract for similar nature works in any of the thermal power plant (s) / gas power plant (s) / any process industries / any electrical utility / organization during last 7 years ending last day of months previous to bid opening date with either of the following executed value(s) of the contract(s):-
- (a) Three executed/completed contracts, as above, are costing not less than the amount equal to 40% of the estimated cost each.

OR

- (b) Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each.

OR

- (c) One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost each.
3. Similar work means firm should have experience of carrying out maintenance / overhauling of either electrical or mechanical equipments like Motors, Switchgears Fans, Air Conditioning Plant, Evaporative Cooling Plant, Package Air Conditioners, Hydrogen Gas Dryers & Fan Coil or Pumps Units in any of the thermal power plant (s) / gas power plant (s) / any process industries / any electrical utility / organization.
Copy of work order (s) in support of these works to be submitted with bid document alongwith performance certificate.
4. Satisfactory performance certificate / work completion certificate for similar nature of work executed by the firm & these should be signed by the order placing authority of concern organization and performance certificate for RVUNL works issued on or after 06/01/2017 should be signed by the concern Chief Engineer / incharge of power station / project.
5. The participating bidders should have GST registration, PF Registration, PAN card, ESI registration and labour license (if required) and electrical license (Class-A).

6. The bidder should be submit an undertaking on non-judicial stamp paper worth Rs. 100.00 with the certificate mentioning in it that the firm has no liability in the concerned department regarding deposition of CPF, ESI, Service Tax etc. upto 31/03/2017. (Original copy should be submitted alongwith EMD and tender cost DD)

QR for TN-4453

The firms participating in the tender enquiry should fulfill the following qualifying requirements:-

1. Average Annual financial turn over in the preceding three completed financial years as on date of bid opening should not be less than the amount calculated on prorata basis for 12 months of the total estimated value of the work or be at least 30% of the total estimated value of the work, whichever is higher.
