If it is inferred/ concluded that the responses have been shared and scores obtained are not genuine/ valid, Nigam reserves right to cancel the candidature of the concerned candidates and the result of such candidates (disqualified) will be withheld.

9. The scores of online exam will be obtained by adopting the following procedure :-

(i) Number of questions answered correctly by a candidate in the objective test is considered for arriving at the 'Corrected Score' after applying penalty for wrong answers.

(ii) The 'Corrected Scores' so obtained by candidates are made equivalent to take care of the minor difference in difficulty level, if any, in each of the objective tests held in different sessions to arrive at the 'Equated Scores'. Scores obtained by candidates on any test will be equated to the base form by considering the distribution of scores of all the forms.

(iii) Scores on total will be calculated with decimal point upto two digits.
