IB-SC-267/2018-19 (CA)

Qualifying Requirement

SECTION- G

(To be submitted in Cover-I)

PRE-QUALIFYING REQUIREMENT

Name of Work: Annual contract for repair/reconditioning of various components installed at Ash Handling Plant, DM plant & CW/ACW Plant of Unit# 5&6, CSCTPP, Chhabra.

1. The participating bidder should have valid PF and ESI registration, GST registration with Central Excise department, PAN No. & Labour License (if required).
2. The bidder should have, at least one year experience during last five years, of **jobs/works for repair/reconditioning of various valves/components/equipments related to Ash Handling System/DM plant/CW/ACW System** in any Thermal Power Plant of Minimum unit capacity of 195 MW and station capacity of 1000 MW or above.

With contract value as

- (a) Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each.

OR

- (b) Two executed /completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each.

OR

- (c) One executed /completed contracts, as above, costing not less than the amount equal to 80% of the estimated cost.

3. The bidder should submit the satisfactory work completion/performance certificate in related field duly signed from the competent authority not below the rank of Superintending Engineer or order placing authority of concerned organization.
4. The average annual turnover of the bidder, in proceeding three(3) financial years ending March shall not be less than 100 % of estimated cost. For this purpose any one of the following documents may be submitted:-
 - (i) Audited balance sheet of last three financial years.
 - (ii) Annual return filed with income tax department.
 - (iii) TDS certificate of last three financial years.

**Superintending Engineer (CA)
CSCTPP, RRVUNL Chhabra**

Note:-

1. Issuance of bidding documents to any bidder shall not construe that bidder is considered qualified.
2. CSCTPP reserves the right to reject any or all bids or cancel/ withdraw the NIT for the work without assigning any reason whatsoever and in such case no bidder/ intending bidder shall have any claim arising out of such action.
3. If labour license presently is not available with them, they shall furnish an undertaking on Rs.100/- NJS paper duly attested by notary for submitting the same within one month from issue of LOI (if required).
4. It is mandatory to have ESI & PF registration while bidding; no relaxation shall be passed in this respect.

PRE-QUALIFYING REQUIREMENT (TN-SC-269/2018-19 (CHP))

- 1) **Average Annual Turnover (AAT):** Average annual turnover of the participating bidder during preceding three (03) financial years as on the date of bid opening should not be less than Rs. 10.90 Crs. Other income shall not be considered for arriving at annual turnover.

Note: In case where audited results for the preceding financial year are not available, certification of financial statements from a practicing Chartered Accountant shall also be considered acceptable.

- 2) The Bidder should have an experience of having successfully executed /completed either of the following contract for the work of "Operation & Maintenance/ Overhauling of Automated PLC based Coal Handling Plant" having wagon tippler and Stacker-Reclaimer in thermal power plants of unit size 195 MW or above of Govt./Semi Govt./PSU/reputed private sector plant during last 7 years ending last day of the month previous to the date of issue of the NIT. The contract should also include the work of Rail Track Maintenance including Maintenance of marshalling yard, unloading of coal rakes, Operation & Maintenance of Heavy Machinery such as Locomotives, Bulldozers, Loader, Excavator and weighbridges etc. Also bidder should have an experience of handling minimum 350 labours at a time for continuous period of one year in thermal power plants of unit size 195 MW or above of Govt./Semi Govt./PSU/reputed private sector plant during last 07 years ending last day of the month previous to the date of issue of the NIT.

(a) Three contract of "similar works" each costing not less than Rs.4.36 Crs.

OR

(b) Two contract of "similar works" each costing not less than Rs. 5.45 Crs.

OR

(c) One contract of "similar works" costing not less than Rs. 8.72 Crs.

Similar Work" means: "Operation & Maintenance /Overhauling of Automated PLC based Coal Handling Plant" having wagon tippler and Stacker-Reclaimer in thermal power plant of unit size 195 MW or above and also handling minimum 350 labours at a time for continuous period of one year in power plants of Govt./Semi Govt./PSU/ reputed private sector power plants. The work should also include Rail Track Maintenance including Maintenance of marshalling yard, unloading of coal rakes, Operation & Maintenance of weighbridges, Operation & Maintenance of Heavy Machinery such as Locomotives, Bulldozers, Loaders and Excavator etc.

The same shall be supported by documentary evidence issued by the owner.

NOTE:

- I) The word executed means that the bidder should have achieved the progress specified in the QR even if the total contract is not completed/closed. Payment receipt document with reference to WO No. and date or work execution certificate with executed value and referred order no. & date from the Owner to this effect that the job to this extent has been done by the Bidder satisfactorily may also be considered as a proof of execution even if the work has not been completed in totality (subject to furnishing proof of executed value of work in the form of certified copies of RA Bills) or any relevant documents, which is sufficient to prove the works completed or to be completed. The same shall be supported by documentary evidence issued by the owner.
- II) The above orders should be directly placed on the tenderer. Experience of Sub-letted work will not be considered.
- 3) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence and class "A" electrical licence. If any of the above presently is not available with them, then they will furnish an undertaking on Rs. 100/- Non judicial stamp paper duly attested by notary for submitting the same within one month from issue of LOI.

NOTE:-

- I) Any firm who have been directly or indirectly terminated/blacklisted in any thermal power plant across India for any reason whatsoever and duration is still continued will not be considered eligible for participation in this tender for which an under taking on Rs. 10/- Non judicial Stamp paper shall be furnished by the bidder. In case if it is found at any point of time that the undertaking given by them is not correct, in that case he will not be considered qualified or order awarded to them shall be terminated. The bidder shall also be black listed for all future contract of RVUN.
- II) Bidder shall produce all supporting documents (original / self-authenticated and attested by Public Notary) in respect of QR as asked in the NIT and an affidavit in original on a Non-judicial stamp paper of Rs. 10/- regarding genuineness of the declaration/information furnished by them and authenticity of the supporting documents being produced by them, within the same time frame.
