1. Eligibility Criteria

For TN-2594 CIVIL

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.15 Lacs.
- (ii) The bidder must have an experience of having successfully executed/completed the contract for same/similar work i.e. civil construction or maintenance work in any of the thermal power plant (s) / gas power plant(s) / any industries / organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
or
 - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
or
 - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required).

For TN-2595 CIVIL

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.36.86 lacs.
- (ii) The bidder must have an experience of having successfully executed/completed the contract for same/similar work i.e. painting of building / structure civil work in any of the thermal power plant (s) / gas power plant(s) / any industries during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
or
 - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
or
 - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required).

For TN-2596 CIVIL

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.9.87 Lacs.
- (ii) The bidder must have an experience of having successfully executed/completed the contract for same/similar work i.e. civil maintenance work of sewage system/ sewer line in any of the

thermal power plant (s) / gas power plant(s) / any industries during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

- a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
or
 - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
or
 - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required).

For TN-2597 CIVIL

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.42.50 lacs.
- (ii) The bidder must be authorized reseller and or executor of one of the micro irrigation equipment company as listed in approved vendor list in special conditions.
- (iii) The bidder must have an experience of having successfully executed/completed the contract for same/similar work i.e. installation of pop up or drip irrigation system for at least 5 Hectare area in any of the thermal power plant (s) / gas power plant(s) / any industries / organization during last 7 years ending last day of the month previous to bid opening date.
- (iv) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (v) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required).

For TN-2598 CIVIL

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.36.72 Lakh.
- (ii) The bidder must be authorized reseller and or executor of one of the micro irrigation equipment company as listed in approved vendor list in special conditions.
- (iii) The bidder must have an experience of having successfully executed/completed the contract for same/similar work i.e. installation of pop up or drip irrigation system for at least 5 Hectare area in any of the thermal power plant (s) / gas power plant(s) / any industries / organization during last 7 years ending last day of the month previous to bid opening date.
- (vi) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (v) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required).

For TN-2599 BM

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 2806483.00.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for same or specific similar work i.e. routine ,breakdown and capital maintance of H.P valves,soot blowers , F.O heating system in any of thermal power plant during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
 - or
 - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
 - or
 - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).

For TN-2600 BM

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 1891408.00.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for maintenance of ducts & dampers in any of the thermal power plant(s)/ gas power plant(s)/ any process industries / any electrical utility/ organization (as the case may be according to the nature of work and examples) during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
 - a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
 - or
 - b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
 - or
 - c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required).

For TN-2601 CA

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 2461081.00.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for handling air conditioning plant having chiller unit, compressors, air handling unit and ventilation system in any industry having compressor capacity up to 110TR in any of the

thermal power plant(s)/ gas power plant(s)/ any process industries/ any electrical utility / organisation during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each

or

b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each

or

c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.

(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).

For TN-2602 AHP

(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 2239379.00.

(ii) The bidder must have an experience of having successfully executed / completed the contract for maintenance of disposal lines/pipes in any of the thermal power plant(s)/ any industry during last 7years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each

or

b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each

or

c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.

(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).

For TN-2603 AHP

(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 2197599.00.

(ii) The bidder must have an experience of having successfully executed / completed the contract for work of maintenance of AHP system in power plant during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each

or

b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each

or

c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.

(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).

For TN-2604 AHP

(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 600330.00.

(ii) The bidder must have an experience of having successfully executed / completed the contract for maintenance work of duct system of ESP/Boiler area of any thermal power plant during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each

or

b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each

or

c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.

(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).

For TN-2605 AHP

(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.3735728.00.

(ii) The bidder must have an experience of having successfully executed / completed the contract for work of maintenance of AHP system in power plant during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each

or

b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each

or

c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or

order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.

- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).

For TN-2606 BM

- (i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.3525200.00.
- (ii) The bidder must have an experience of having successfully executed / completed the contract for supply and application of insulation, spray insulation in any of the thermal power plant(s)/ gas power plant(s)/ any process industries / any electrical utility/ organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
- a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
- or
- b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
- or
- c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
- (iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
- (iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).
3. The bidder will have to register themselves on website <http://www.eproc.rajasthan.gov.in> for participating in this tender. For this purpose Digital Signature Certificate (DSC) have to be obtained from any agency approved by CCA. This DSC will be used to sign the bids submitted online by the bidder. Unsigned tenders will not be entertained and will be rejected out rightly.
4. The tender for works shall remain open for acceptance for the period of 120 days from the date of opening of pre-qualification/ technical bid or up to such period as detailed out in tender document.
5. If any tenderer withdraws his tender prior to expiry of validity period as mentioned at S. No. 6 or mutually extended period or makes modifications in the rates, terms and conditions of the tender within the said validity period, which are not acceptable to the department, or fails to commence the work in the specified period/ fails to execute the agreement, the department shall without prejudice to any other right or remedy be at liberty to forfeit the amount of earnest money given in any form absolutely. If any contractor, who having submitted a tender does not execute the agreement or start the work or does not complete the work and the work has to be put to re-tendering, he shall stand debarred from participating in such re-tendering in addition to forfeiture of earnest money/ security deposit and other action under agreement. If there is strong justification of believing that the tenderer or his authorized has been guilty of mal-practices such as submission of forged documents, influencing individually or politically, his offer will be liable to rejection and in such case his earnest money shall be forfeited.
6. All tenders, in which any of the prescribed conditions are not fulfilled or which have been vitiated by errors in calculations, totaling or discrepancies in figures or words or other discrepancies, will be liable to rejection.
7. No conditional tenders shall be accepted and will be rejected summarily forthwith.
8. The department will not be responsible for any delay on account of late submission of tender due to online submission.

9. Physical submission of bids is not allowed.

10. The bidder shall ensure that scanned copy of all the schedules as asked in tender document have been filled up and attached with the bid submitted in electronic format.
11. The acceptance of the tender will rest with the competent authority who does not bind itself to accept the lowest tender, and reserves to itself the authority to reject any or all the tenders received without assigning any reason.
12. No refund of tender fee/e tender processing fee is claimable for tenders not accepted or forms not submitted.
13. All other conditions shall be prevailing as detailed out in the departmental tender document (in the respective sections/ volumes).
