**TN-SC-11/2019-20 (FF)**

Only those firms can participate who possess the following pre-qualifying requirements and shall have to submit necessary documents along with tenders.

1. Average annual financial turn over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 63.70 Lacs. For this purpose any one of the following documents may be submitted: –
  - i. Audited Balance sheet of last three financial Years.
  - ii. Annual Return filed with IT Deptt / TDS certificate of last three financial Years.
  - iii. Copies of work orders executed.
2. The Bidder must have an experience of having successfully executed /completed the contract for same/similar nature work i.e operation/maintenance work of fire fighting system of power plant/industries/ high rise building comprising of hydrant system, sprinkler system, fire alarm and detection system and various types of extinguishers during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
  - a. Three executed/completed contracts as above, costing not less than the amount equal to 40% of the estimated cost each.

or

- b. Two executed/completed contracts as above, costing not less than the amount equal to 50% of the estimated cost each.
    - or
    - c. One executed/completed contract as above, costing not less than the amount equal to 80% of the estimated cost.
  3. In support of above bidder shall furnish documentary evidence, copies of work order along with Satisfactory performance certificate or satisfactory work completion certificate for above executed by the firm issued by the owner/order placing authorities. In case works order awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by Chief Engineer/Incharge of power station/project.
  4. The participating bidders should have GSTIN registration, PF registration, PAN card, ESI registration and labour license (if required). In case ESI registration and labour license are not available with the participating bidder/firm, then they are required to furnish an undertaking on non judicial stamp paper of Rs.=100/- stating that the required registration shall be obtained by them and furnished to RVUN within one month after placement of LOI.
  5. The bidder should submit an undertaking on Non Judicial Stamp paper worth rupees 100/- with the certificate mentioning in it that the firm has no liability in the concerned department regarding deposition of CPF, ESI & Service Tax/GST etc. up-to the period 31.03.19.

**Note: -**

1. The word “executed” means the bidder should have achieved the criterion specified in QR, even if the total contract is not completed/closed. Payment receipt document with reference to WO no. and date or work execution certificate with executed value and referred order no. & date from the owner to this effect that the job to this extent has been done by the bidder satisfactorily may also be considered as a proof of execution even if the work has not been completed in totality (subject to furnishing proof of executed value of work in the form of certified copies of RA bills) or any relevant documents, which is sufficient to prove the works completed or to be completed. The same shall be supported by documentary evidence issued by the owner.
  2. The similar works means having experience of operation/maintenance work of fire fighting system of high rise building/power plant/industries comprising of hydrant system, sprinkler system, fire alarm and detection system and various types of extinguishers.
  3. The above orders should be directly placed on the tenderer. Experience of sub-letted work will not be considered.
  4. The technical evaluation of the bids shall be done on the basis of above criterions. The offers of the bidder not fulfilling above criterions fully or partially are likely to be ignored.
- C. The bidder will have to register themselves on website <http://www.eproc.rajasthan.gov.in> for participating in this tender. For this purpose Digital Signature Certificate (DSC) have to be obtained from any agency approved by CCA. This DSC will be used to sign the bids submitted online by the bidder. Unsigned tenders will not be entertained and will be rejected out rightly.
- D. The tender for works shall remain open for acceptance for the period of 120 days from the date of opening of pre-qualification/ technical bid or up to such period as detailed out in tender document.
- E. If any tenderer withdraws his tender prior to expiry of validity period as mentioned at S. No. 5 or mutually extended period or makes modifications in the rates, terms and conditions of the tender within the said validity period, which are not acceptable to the department, or fails to commence the work in the specified period/ fails to execute the agreement, the department shall without prejudice to any other right or remedy be at liberty to forfeit the amount of earnest money given in any form absolutely. If any contractor, who having submitted a tender does not execute the agreement or start the work or does not complete the work and the work has to be put to re-tendering, he shall stand debarred from participating in such re-tendering in addition to forfeiture of earnest money/ security deposit and other action under agreement. If there is strong justification of believing that the tenderer or his authorized has been guilty of mal-practices such as submission of forged documents, influencing individually or politically, his offer will be liable to rejection and in such case his earnest money shall be forfeited.

- F. All tenders, in which any of the prescribed conditions are not fulfilled or which have been vitiated by errors in calculations, totaling or discrepancies in figures or words or other discrepancies, will be liable to rejection.
- G. No conditional tenders shall be accepted and will be rejected summarily forthwith.
- H. The department will not be responsible for any delay on account of late submission of tender due to online submission.
- I. **Physical submission of bids is not allowed.**
- J. The bidder shall ensure that scanned copy of all the schedules as asked in tender document have been filled up and attached with the bid submitted in electronic format.
- K. The acceptance of the tender will rest with the competent authority who does not bind itself to accept the lowest tender, and reserves to itself the authority to reject any or all the tenders received without assigning any reason.
- L. No refund of tender fee/e tender processing fee is claimable for tenders not accepted or forms not submitted.
- M. All other conditions shall be prevailing as detailed out in the departmental tender document (in the respective sections/ volumes).
