QUALIFYING CRITERION:-

1. The bidder can be a single tenderer bidding on his own, a Company Registered under the Companies Act or a Joint Venture. A party cannot submit multiple bids, either as a single tenderer or on a joint venture basis by forming consortium. To qualify, each bidder shall satisfy the following minimum criteria:-
 - i. The bidder should have their own beneficiation plant (s)/washery (wet technology) of minimum 3.24 MTPA as on 31.12.2019 undertaking the beneficiation of coal of Korba Coalfields of South Eastern Coalfields Limited and the bidders should submit undertaking that their washery (wet technology) complies with and is eligible for release of coal as per the 'New Standard Procedure for release of raw coal to FSA consumers through Private Washeries' as notified by South Eastern Coal Fields Limited vide their notice dated SECL/BSP/S&M/679 dated 24.06.2015 & subsequent amendment if any. The washery operator should furnish documents as mentioned in said notification for verification.
 - ii. The bidder should have washed (Through wet process) at least 2.70 million tonnes of Raw Coal per annum in at least one year during the period 01.04.2016 to 31.03.2019 for Govt. Power House (s)/ NTPC or State Power Utilities or reputed private power utilities. However, out of the experience of washing 2.70 million tonnes of raw coal per annum, a minimum of 1.35 million tonnes per annum should be for Govt. Power House (s) / NTPC or State Power Utilities and balance may be for reputed power utilities.
 - iii. The bidder should have own private railway siding or tie up with railways for use of the railway siding for dispatch of coal. The railway siding should be approved for coal dispatches.
 - iv. The bidder should have an average Annual turnover of Rs. 25 Crores for last three years upto FY ending 31.03.2019 for which audited annual reports should be furnished. In cases where audited results for the last financial year (FY18-19) as on date of Techno commercial bid opening are not available, the financial results certified by a Chartered Accountant shall be considered.
3. If a consortium (with maximum of two members) makes a bid, the consortium agreement shall be furnished clarifying the split up of scope between consortium partners & specifying the leader of consortium. The consortium leader shall itself fulfill technical qualification mentioned in clause no. 1. (i) & (ii) above, and both consortium partners can jointly meet other PQR conditions and shall take joint and severally responsibility for the contract.
4. Above mentioned terms and conditions shall be considered in totality and tenders received without supporting documents for complying the above, conditions shall be summarily rejected.
5. Notwithstanding anything stated above, the purchaser reserves the right to assess the credibility, capability and capacity to perform the contract should circumstances warrant such an assessment in the overall interest of the Purchaser and bidder shall furnish all other required documents to the Purchaser. RVUN also reserves the right to seek any additional information from tenderer(s).
