executed works should be signed by officer not below the rank of Superintending Engineer or
order placing authority of concerned organization. In case of works awarded by RVUN
performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In
charge of power station/Project.

(iv) The participating bidders should have GST registration with Central Excise Department, PF
registration, PAN card, ESI registration and labour licence (if required) and class A electrical
licence ( if required).
For TN-2650 BM

(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.358330.00.

(ii) The bidder must have an experience of having successfully executed/completed the contract for Radiography of H.P. welding joints in boiler & turbine area in any thermal power plant(s)/process industries during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
   a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
   or
   b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
   or
   c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/In charge of power station/Project.

(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).

For TN-2651 FF

(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.2355357.00.

(ii) The bidder must have an experience of having successfully executed/completed the contract for firefighting maintenance of fire fighting system of high rise building comprising of hydrant system, sprinkler system, fire alarm system, fire pumps etc. in any of the thermal power plant(s)/gas power plant(s)/any process industries/any electrical utility/organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
   a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
   or
   b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
   or
   c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/In charge of power station/Project.

(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).
For TN-2652 Elect

(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.2283660.00.

(ii) The bidder must have an experience of having successfully executed/completed the contract for rewinding of 3-phase, 415 V induction motors in any of the thermal power plant(s)/ gas power plant(s)/ any process industries/ any electrical utility/ organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
   a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
   or
   b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
   or
   c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.

(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical license (if required).

For TN-2653 Civil

(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.44.77 Lakh.

(ii) The bidder must have an experience of having successfully executed/completed the contract for same/similar work i.e. civil construction or maintenance work for buildings in any of the thermal power plant(s)/ Gas power plant(s)/ any industries/ organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
   a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
   or
   b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
   or
   c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.

(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required).
For TN-2654 Civil

(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.47.00 Lakh.

(ii) The bidder must have an experience of having successfully executed/completed the contract for same/similar work i.e. roof water proofing work for building in any of the thermal power plant(s)/ Gas power plant(s)/ any industries/ organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each

or

b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each

or

c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.

(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required).

For TN-2655 Elect

(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 28,47,000.

(ii) The bidder must have an experience of having successfully executed/ completed the contract for Arresting oil leakage without draining of oil of Generator Transformer of capacity 200 MVA or more by supply and application of Titanium Putty H.P/ Plastic Steel 5 Minute SF/Silite Sealent / Cleaner Conditioner in any thermal power plant(s)/ gas power plant(s)/ any process industries/ any electrical utility/ organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each

or

b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each

or

c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for executed work of Arresting oil leakage without draining of oil of Generator Transformer of capacity 200 MVA or more by supply and application of Titanium Putty H.P/ Plastic Steel 5 Minute SF/Silite Sealent / Cleaner Conditioner should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.

(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) are also to be provided.
For TN-2656 Elect

(i) Average Annual Financial Turn Over in the preceding three completed financial years as On date of bid opening should not be less than Rs.33.18 Lacs.

(ii) The bidder must have an experience of having successfully executed / completed the contract for maintenance of electrical equipments like HT motor & HT Switchgears. The bidder must furnish proof of execution of maintenance/ overhauling of at least one HT equipment in any of thermal power plant(s)/ gas power plant(s)/ any process industries/ any electrical utility/ organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

   a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
   or
   b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
   or
   c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.

(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical licence (if required).

3. The bidder will have to register themselves on website http://www.eproc.rajasthan.gov.in for participating in this tender. 4. The tender for works shall remain open for acceptance for the period of 120 days from the date of opening of pre-qualification/ technical bid or up to such period as detailed out in tender document.

5. If any tenderer withdraws his tender prior to expiry of validity period as mentioned at S. No. 6 or mutually extended period or makes modifications in the rates, terms and conditions of the tender within the said validity period, which are not acceptable to the department, or fails to commence the work in the specified period/ fails to execute the agreement, the department shall without prejudice to any other right or remedy be at liberty to forfeit the amount of earnest money given in any form absolutely. If any contractor, who having submitted a tender does not execute the agreement or start the work or does not complete the work and the work has to be put to re-tendering, he shall stand debarred from participating in such re-tendering in addition to forfeiture of earnest money/ security deposit and other action under agreement. If there is strong justification of believing that the tenderer or his authorized has been guilty of mal-practices such as submission of forged documents, influencing individually or politically, his offer will be liable to rejection and in such case his earnest money shall be forfeited.

6. All tenders, in which any of the prescribed conditions are not fulfilled or which have been vitiated by errors in calculations, totaling or discrepancies in figures or words or other discrepancies, will be liable to rejection.

7. No conditional tenders shall be accepted and will be rejected summarily forthwith.

8. The department will not be responsible for any delay on account of late submission of tender due to online submission.

9. Physical submission of bids is not allowed.

10. The bidder shall ensure that scanned copy of all the schedules as asked in tender document have been filled up and attached with the bid submitted in electronic format.

11. The acceptance of the tender will rest with the competent authority who does not bind itself to accept the lowest tender, and reserves to itself the authority to reject any or all the tenders received without assigning any reason.

12. No refund of tender fee/e tender processing fee is claimable for tenders not accepted or forms not submitted.

13. All other conditions shall be prevailing as detailed out in the departmental tender document (in the respective sections/ volumes).
