Date of the Room No. 306, Service Building, office of the Chief Engineer (O&M), SSTPS, RVUN, Suratgarh
1. Eligibility Criteria

For TN-2657 Civil
(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.35.67 Lakh.
(ii) The bidder must have an experience of having successfully executed/completed the contract for same/similar work i.e. civil construction or maintenance work for buildings in any of the thermal power plant(s)/ Gas power plant(s)/ any industries/ organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
   a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
   or
   b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
   or
   c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required).

For TN-2658 Civil
(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.35.38 Lakh.
(ii) The bidder must have an experience of having successfully executed/completed the contract for same/similar work i.e. P&F metallic sheet covering work in any of the thermal power plant(s)/ Gas power plant(s)/ any industries/ organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
   a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
   or
   b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
   or
   c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.
(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required).
For TN-2659 Civil

(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.67.86 Lakh.

(ii) The bidder must have an experience of having successfully executed/completed the contract for same/similar work i.e. repair and maintenance of building work in any of the thermal power plant(s)/ Gas power plant(s)/ any industries/ organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

   a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each

   or

   b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each

   or

   c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.

(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required).

For TN-2660 CHP

(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.74.21 Lacs.

(ii) The bidder must have an experience of having successfully executed / completed the contract for same / similar nature of work i.e. conveyor belt jointing ,laying and rubber lagging / repair of pulleys in CHP area in any of the thermal power plant(s) or in any of the process industries/ electrical utility/ cement industries / refinery /Fertilizer plants etc. during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

   a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each

   or

   b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each

   or

   c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.

(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical license (if required).
For TN-2661 CHP

(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 38,12 lacs.

(ii) The bidder must have an experience of having successfully executed / completed the contract for Same/Similar works in the related field in any thermal power plant(s) or in any of the industries like process industry / Electrical utility / Cement industry / Refinery / Fertilizer plants etc. during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

   a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each

   or

   b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each

   or

   c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.

(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical license (if required)

For TN-2662 Opr

(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 3012264.00.

(ii) The bidder must have an experience of having successfully executed / completed the contract for same/similar means any O&M works (Electrical/Mechanical/operation Assistance) of plant equipments carried out in any thermal power plant(s)/ gas power plant(s)/ any process industries/ any electrical utility/ organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

   a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each

   or

   b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each

   or

   c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above Executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.

(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical license (if required).
For **TN-2663 TM**

(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 31.50 Lacs.

(ii) The bidder must have an experience of having successfully executed / completed the maintenance work of turbine, heat exchangers and their components in any of the thermal power plant(s) not less than 110MW unit capacity during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
   or
b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
   or
c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above Executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.

(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical license (if required).

For **TN-2664 AHP**

(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 6890333.00.

(ii) The bidder must have an experience of having successfully executed / completed the contract for same/similar work i.e. maint. Work in AHP system / O&M of complete dry fly ash system (Dense Phase System) in any of the thermal power plant(s)/ gas power plant(s)/ any process industries/organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
   or
b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
   or
c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above Executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.

(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical license (if required).
For TN-2665 BM

(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 3368808.00.

(ii) The bidder must have an experience of having successfully executed / completed the contract for Routine, Breakdown & Capital Maintenance of Air Pre Heater in any of the thermal power plant(s)/ gas power plant(s)/ any process industries/ any electrical utility/ organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

   a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
   
   or

   b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
   
   or

   c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.

(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical license (if required).

For TN-2666 Civil

(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 7.69 Lakh.

(ii) The bidder must have an experience of having successfully executed/completed the contract for same/similar work i.e. operation and maintenance of sewage treatment plant in any of the thermal power plant(s)/ Gas power plant(s)/ any industries/ organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

   a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each
   
   or

   b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each
   
   or

   c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.

(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/ In charge of power station/Project.

(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required).
For TN-2667 BM
(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.1698255.00.
(ii) The bidder must have an experience of having successfully executed/completed the contract for same i.e. repairing, reconditioning(IN-SITU & at agency workshops) of HP Valves (manual/motorized/control valves/safety valves/HP bypass valves) of Boiler & Turbine area in any of the thermal power plant(s)/Gas power plant(s)/any process industries/any electrical utility/organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
   a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each or
   b. Two executed/completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each or
   c. One executed/completed contract, as above, costing not less than the amount equal to 80% of the estimated cost.
(iii) Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization. In case of works awarded by RVUN performance certificate issued on or after 06.01.2017 should be signed by the chief Engineer/In charge of power station/Project.
(iv) The participating bidders should have GST registration with Central Excise Department, PF registration, PAN card, ESI registration and labour licence (if required) and class A electrical license (if required).

For TN-2668 AHP
(i) Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs.3465287.00.
(ii) The bidder must have an experience of having successfully executed/completed the contract for same /similar nature of work i.e. housekeeping/cleaning/manpower supply in any power plant(s)/any industry/organization during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
   a. Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each or
