## **SECTION- G**

(To be submitted in Cover-I)

### **Qualifying Requirement**

**Annual contract for Routine/ Breakdown Capital Maintenance of Fire Hydrant, HVW & MVW spray system, Diesel/ Electrical pumps, compressors etc., and routine checking, cleaning & minor maintenance works of Fire Protection System of Unit#5&6 (660 MW) Chhabra Super Critical Thermal Power Project, Chhabra.**

The firms participating in the tender enquiry should fulfill the following qualifying requirements:-

1. The participating bidder should have valid PF and ESIC registration, GST registration with Central Excise department, PAN No. & Labour License (if required).
2. During last five (5) years, the bidder should have executed O&M works of Fire Fighting System in thermal power plant having capacity of :-
  - a. Minimum unit capacity of 110 MW or above & station capacity of 1000 MW or above.

OR

- b. Sub vendor of EPC contractor who have executed similar nature of construction work in minimum unit Capacity of 500 MW or above.  
With contract values for (a) or (b) whichever applicable, is as under:
  - (i) Three executed/completed contracts, as above, costing not less than the amount equal to 40% of the estimated cost each.

OR

(ii) Two executed /completed contracts, as above, costing not less than the amount equal to 50% of the estimated cost each.

OR

(iii) One executed/completed contract, as above costing not less than the amount equal to 80% Of the estimated cost.

The bidder have to furnish the satisfactory performance certificate of aforesaid work duly signed by the officer not below the rank of Superintending Engineer / order placing authority of concern organization.

3. The average annual turnover of bidder in the preceding three (3) financial years as on date of bid opening shall not be less than 100% of estimated cost. For this purpose any one of the following documents may be submitted:-

- i. Audited balance sheet of last three financial years along with trading account.
- ii. Annual return filed with income tax department of last three financial years.

**Superintending Engineer (FF)**

**CSCTPP, RVUNL, CHHABRA**

**Note:-**

- i. Issuance of bidding documents to any bidder shall not construe that bidder is considered qualified.
- ii. CSCTPP, Chhabra reserves the right to reject any or all bides or cancel/ withdraw the NIT for the work without assigning any reason whatsoever and in such case no bidder/ intending bidder shall have any claim arising out of such action.

If Labor License presently is not available with them, they will furnish an under-taking on Rs.100/- NJS paper duly attested by notary for submitting the same with-in one month from issue of LOI (if required).

**TN-SC-336/2019-20 (CA)**

**SECTION- G**

**(To be submitted in Cover-I)**

**Qualifying Requirement**

The participating bidder must fulfil the following qualifying requirements. The documents in support of qualifying requirements shall be submitted along with Part-A Bid:-

- (i) The bidder should be a company or firm.
- (ii) The bidder should have at least two year experience during last seven years in harvesting/collection of Cenospheres (Floating Ash) from Ash Pond/Dyke of a coal based thermal power plant of having minimum unit capacity of 110 MW and Station Capacity of 1000 MW or above prior to the date of bid opening. For assessing the experience, the bidder shall submit copy of successfully executed works with following values:
  - (a) Three executed/completed contracts, costing not less than the amount equal to Rs. 10 Lakh each.

OR
  - (b) Two executed/completed contracts, costing not less than the amount equal to Rs. 15 Lakh each.

OR
  - (c) One executed/completed contracts, costing not less than the amount equal to Rs. 20 Lakh.
- (iii) The bidder should submit the satisfactory work completion/performance certificate as above duly signed from the competent authority not below the rank of Superintending Engineer or order placing authority of concerned organization.
- (iv) Looking to the quantum and risk associated with the work of harvesting/collection of Cenospheres (Floating Ash), the bidder needs to submit the documents in support of experience of deploying mechanical systems for harvesting and collection of Cenospheres (Floating Ash) from ash pond/dyke.
- (v) The average annual turnover of the Bidder, in the preceding three (3) financial years as on the date of Techno - Commercial bid opening shall not be less than Rs.25 Lakh (Rupees Twenty Five Lakh only) per annum. For assessing the average annual turnover of the

bidder, other income shall not be considered for arriving at annual turnover. Further, in cases where audited results of the last financial year as on the date of techno commercial bid opening are not available, the financial results certified by a practicing chartered accountant shall be considered acceptable. In case, Bidder is not able to submit the certificate from practicing chartered accountant certifying its financial parameters, the audited results of three consecutive financial years preceding the last financial year shall be considered for evaluating the financial parameters.

Superintending Engineer (CA),  
CSCTPP, RVUNL, Chhabra

**Note:**

1. Issuance of bidding documents to any bidder shall not construe that bidder is considered qualified.
2. CSCTPP reserves the right to reject any or all bids or cancel/ withdraw the NIT for the work without assigning any reason whatsoever and in such case no bidder/ intending bidder shall have any claim arising out of such action.
3. If labour license presently is not available with them, they shall furnish an undertaking on Rs. 100/- NJS paper duly attested by notary for submitting the same within one month from issue of LOI (if required).
4. It is mandatory to have GST, PAN, ESI & PF registration while bidding; no relaxation shall be passed in this respect.
