2. **IMPORTANT DATES:-**

3. **ELIGIBILITY CRITERIA**
   
   In addition to the requirements stipulated in other clauses, participating bidders shall be required to provide necessary documents in support of the following:-
   
The Eligibility criteria of the Interested Bidders for implementation of online parameters from DCS (Distributed Control System) of various OEM's installed at respective power plants of RVUN are as follows:-
   
   (i) The bidder should be a Company/LLP registered in India under Companies Act, GoI and should be a software developer.
(ii) Bidder must have an experience of having successfully executed/completed the contract for similar nature of work during last 7 years ending last day of month previous to bid opening date with either of the following executed values of the contracts:-
   a. Three executed/completed similar contracts as above costing not less than the amount Rs. 1.2 Cr. each.
      OR
   b. Two executed/completed similar contracts as above costing not less than the amount Rs. 1.5 Cr. each.
      OR
   c. One executed/completed similar contract as above costing not less than the amount Rs. 2.40 Cr.

(iii) Bidder must have average annual turn-over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 6.0 Cr. Other income, if any shall not be considered in annual turn-over.

(iv) Note:-
   a. "Similar nature" of works means" Execution of implementation of online parameters through SCADA from DCS (Distributed Control System)/PLC/Control system/Alarm Management System.

   b. The work "Executed" means the bidder should have achieved in the progress specified in PQR even if the contract is not completed/closed. The bidder shall produce documentary evidence issued by owner in support of having achieved the progress specified in PQR even if the contract is not completed/closed.

   c. In support of documents bidder must submit:
      i. Purchase Order copy along with Invoice(s) with self certification by the bidder that supplies against the invoices covering the orders have been executed to the required value.
         OR
      ii. Purchase order copy along with bank Certificate indicating payments against the PO.
         OR
      iii. Execution certificate by clients with order value
         OR
      iv. Any other document in support of order execution acceptable to RVUNL.

(v) Bidders should also have a valid registration for GST and PAN.

4. The proof of the PQR must be uploaded in technical bid, failing which their bid will be summarily rejected.

5. The bidders will have to register themselves on website http://www.eproc.rajasthan.gov.in for participating in this tender. For this purpose Digital Signature Certificate (DSC) have to be obtained from any agency approved by CCA. This DSC will be used to sign the bids submitted online by the bidder. Unsigned tenders will not be entertained and will be rejected out rightly.

6. The EOI / offer submitted by the bidders shall remain valid for the period of 120 days from the date of opening of technical bid.

7. If any bidder withdraws his tender prior to expiry of validity period as mentioned above or
mutually extended period or makes modifications in the rates, terms and conditions of the tender within the said validity period, which are not acceptable to the RVUN, or fails to commence the work in the specified period/ fails to execute the agreement, the department shall without prejudice to any other right or remedy be at liberty to forfeit the amount of earnest money given in any form absolutely. If any contractor, who having submitted a tender does not execute the agreement or does not start the work or does not complete the work and the work has to be put to re-tendering, he shall stand debarred from participating in such re-tendering in addition to forfeiture of earnest money/ security deposit and other action shall be taken as per agreement/terms & conditions of the contract/tender. If there is strong justification of believing that the bidder or his authorized person has been guilty of mal-practices such as submission of forged documents, influencing individually or politically, his offer will be liable to rejection and in such case his earnest money shall be forfeited.

8. All tenders, in which any of the prescribed conditions are not fulfilled or which have been vitiated by errors in calculations, totalling or discrepancies in figures or words or other discrepancies, may be liable to rejection.

9. Conditional tenders shall not be accepted and will be liable to be rejected.

10. The department will not be responsible for any delay on account of late submission of tender due to online submission.

11. Physical submission of bids is not allowed.

12. The bidder shall ensure that scanned copy of all the schedules as asked in tender document have been filled up and attached with the bid submitted in electronic format.

13. The acceptance of the tender will rest with the competent authority who does not bind itself to accept the lowest tender, and reserves to itself the authority to reject any or all the tenders received without assigning any reason.

14. Tender fee & processing fee is not refundable in any condition. However, EMD of non-qualified bidders in above open tender will be released after finalization of the RFP documents / qualified bidders before inviting limited bidding.

15. The bidder shall furnish their offer along-with all necessary details & supporting documents required to perform the work specified above as per procedure laid-down in the Preliminary Information Memorandum (PIM) or in NIT on e-procurement website only.

16. In the proposed EOI the bidders are required to submit their detailed methodology adopted to implement the above said work after having thorough study of control system installed at power plant locations and proper understanding of the terms & conditions of licensing of already installed MIS to fetch the data.

17. All other conditions shall be prevailing as detailed out in the departmental tender document (in the respective sections/ volumes).
