### B. Eligibility Criteria

**For TN-19**

1. Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than **Rs. 27.62 Lacs**. For this purpose any one of the following documents may be submitted:
   i. Audited Balance sheet of last three financial Years.
   ii. Annual Return filed with IT Deptt / TDS certificate of last three financial Years.
   iii. Copies of work orders executed.

2. The bidder must have an experience of having successfully executed / completed the annual contract for similar nature works i.e. Bidder should have experience of executing similar nature work of power plant with units of 110 MW or more in any of the thermal power plants/ any process industries during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
   a. Three executed/completed contracts as above, costing not less than the amount equal to 40% of the estimated cost each.
b. Two executed/completed contracts as above, costing not less than the amount equal to 50% of the estimated cost each.

Or

c. One executed/completed contract as above, costing not less than the amount equal to 80% of the estimated cost.

3. Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.

4. The participating bidders should have GSTIN registration, PF registration, PAN card, ESI registration and labour license (if required).

For TN-20

1. Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than **Rs. 31.39 Lacs**. For this purpose any one of the following documents may be submitted:

   i. Audited Balance sheet of last three financial Years.
   
   ii. Annual Return filed with IT Deptt / TDS certificate of last three financial Years.
   
   iii. Copies of work orders executed.

2. The bidder must have an experience of having successfully executed / completed the similar nature of works in any thermal power plant(s) /coal mines / Iron & steel plants /Aluminum Plants / Electrical Utility / Cement Industry / Refinery / Fertilizer Plants/Mining industries/chemical industries/metallurgy industries or any other process industries during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

   a. Three executed/completed contracts as above, costing not less than the amount equal to 40% of the estimated cost each.

   Or

   b. Two executed/completed contracts as above, costing not less than the amount equal to 50% of the estimated cost each.

   Or

   c. One executed/completed contract as above, costing not less than the amount equal to 80% of the estimated cost.

3. Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.

4. The participating bidders should have GSTIN registration, PF registration, PAN card, ESI registration and labour license (if required).
For TN-21

1. Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 23.41 Lacs. For this purpose any one of the following documents may be submitted:
   
i. Audited Balance sheet of last three financial Years.
   ii. Annual Return filed with IT Deprt / TDS certificate of last three financial Years.
   iii. Copies of work orders executed.

2. The bidder must have an experience of having successfully executed / completed the work of maintenance of electrical equipments like Motorized Valve/Damper, Actuators, Soot Blowers, HT/LT motors, transformers, heaters /switchgear. The bidder must furnish proof of execution of maintenance/overhauling of at least one HT/LT / Motorized Valve/Damper, Actuators, Soot Blowers in any plant capacity/industry during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
   
a. Three executed/completed contracts as above, costing not less than the amount equal to 40% of the estimated cost each.
   
   Or

b. Two executed/completed contracts as above, costing not less than the amount equal to 50% of the estimated cost each.
   
   Or

c. One executed/completed contract as above, costing not less than the amount equal to 80% of the estimated cost.

3. Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.

4. The participating bidders should have class A electrical license, GSTIN registration, PF registration, PAN card, ESI registration and labour license (if required).

For TN-22

1. Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 14.34 Lacs. For this purpose any one of the following documents may be submitted:
   
i. Audited Balance sheet of last three financial Years.
   ii. Annual Return filed with IT Deprt / TDS certificate of last three financial Years.
   iii. Copies of work orders executed.

2. The bidder must have an experience of having successfully executed / completed the work of maintenance of electrical equipments like HT/LT motors, transformers, heaters /switchgear. The bidder must furnish proof of execution of maintenance/overhauling of at least one HT/LT equipment in any plant capacity/industry during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
a. Three executed/completed contracts as above, costing not less than the amount equal to 40% of the estimated cost each.

Or

b. Two executed/completed contracts as above, costing not less than the amount equal to 50% of the estimated cost each.

Or

c. One executed/completed contract as above, costing not less than the amount equal to 80% of the estimated cost.

3. Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.

4. The participating bidders should have class A electrical license, GSTIN registration, PF registration, PAN card, ESI registration and labour license (if required).

For TN-23

1. Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 20.07 Lacs. For this purpose any one of the following documents may be submitted: –

   i. Audited Balance sheet of last three financial Years.
   ii. Annual Return filed with IT Deptt / TDS certificate of last three financial Years.
   iii. Copies of work orders executed.

2. The bidder must have an experience of having successfully executed / completed the work of Maintenance of electrical equipments like 400kv/220kv switchyard equipments, HT/LT motors, transformers, heaters /switchgear. The bidder must furnish proof of execution of maintenance/overhauling of at least one 400kv/220kv switchyard/HT/LT equipments in any plant capacity/ industries during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

a. Three executed/completed contracts as above, costing not less than the amount equal to 40% of the estimated cost each.

Or

b. Two executed/completed contracts as above, costing not less than the amount equal to 50% of the estimated cost each.

Or

c. One executed/completed contract as above, costing not less than the amount equal to 80% of the estimated cost.

3. Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.

4. The participating bidders should have class A electrical license, GSTIN registration, PF registration, PAN card, ESI registration and labour license (if required).
For TN-24

1. Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 36.40 Lacs. For this purpose any one of the following documents may be submitted:–

   i. Audited Balance sheet of last three financial Years.
   ii. Annual Return filed with IT Deptt / TDS certificate of last three financial Years.
   iii. Copies of work orders executed.

2. The bidder must have an experience of having successfully executed / completed the annual contract for similar nature works i.e. Bidder should have experience of providing experienced manpower of similar of power plant with units of 110 MW or more in any of the thermal power plants during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

   a. Three executed/completed contracts as above, costing not less than the amount equal to 40% of the estimated cost each.
      Or
   b. Two executed/completed contracts as above, costing not less than the amount equal to 50% of the estimated cost each.
      Or
   c. One executed/completed contract as above, costing not less than the amount equal to 80% of the estimated cost.

3. Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.

4. The participating bidders should have GSTIN registration, PF registration, PAN card, ESI registration and labour license (if required).

For TN-25

1. Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 55.37 Lacs. For this purpose any one of the following documents may be submitted:–

   i. Audited Balance sheet of last three financial Years.
   ii. Annual Return filed with IT Deptt / TDS certificate of last three financial Years.
   iii. Copies of work orders executed.

2. The bidder must have an experience of having successfully executed / completed the work of maintenance of electrical equipments like HT/LT motors, transformers, heaters /switchgear. The bidder must furnish proof of execution of maintenance/overhauling of at least one HT equipment in any plant capacity/industry during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

   a. Three executed/completed contracts as above, costing not less than the amount equal to 40% of the estimated cost each.

E:\Chachat\tenders\tenders Jan-18 to March-18\NIT LOT NO 1\Tender Publication 2nd lot.docx
b. Two executed/completed contracts as above, costing not less than the amount equal to 50% of the estimated cost each.

Or

3. Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.

4. The participating bidders should have class “A” electrical license, GSTIN registration, PF registration, PAN card, ESI registration and labour license (if required).

For TN-26

1. The bidder should be financially capable for execution of the work as per NIT specification. For this purpose Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than 100% of estimated cost i.e. Rs. 19.71 Lacs. For this purpose any one of the following documents may be submitted: –
   
   i. Audited Balance sheet of last three financial Years.
   ii. Annual Return filed with IT Deptt / TDS certificate of last three financial Years.
   iii. Copies of work orders executed.

2. The participating bidders should have furnish copy of GSTIN registration with GST Department, PF registration, PAN card, ESI registration and labour license (if required).

3. The bidder must have an experience of having successfully executed / completed the contract for similar nature works in any of the thermal power plants/gas power plants/ any process industries/any electrical utility/organization (as the case may be according to the nature of work) during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):
   
   a. Single work contract of value each not less than 80% of estimated cost.
      Or
   b. Two work contract of value each not less than 50% of estimated cost.
      Or
   c. Three work contract of value each not less than 40% of estimated cost.

4. The bidder should have furnish Satisfactory performance certificate of same /similar nature of work in related field duly signed by the officer not below the rank of Superintending Engineer or order placing authority of concerned organization.

For TN-27

1. Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 23.26 lacs. For this purpose any one of the following documents may be submitted: –
   
   i. Audited Balance sheet of last three financial Years.
   ii. Annual Return filed with IT Deptt / TDS certificate of last three financial Years.
iii. Copies of work orders executed.

2. The bidder must have an experience of having successfully executed / completed the similar nature works in any thermal power plants/coal mines/Iron and steel plants/Aluminum plants/ Electrical utility / Cement Industry / Refinery / Fertilizer Plants /mining industries /chemical industries/metallurgy industries or any other process industries during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

a. Three executed/completed contracts as above, costing not less than the amount equal to 40% of the estimated cost each.

Or

b. Two executed/completed contracts as above, costing not less than the amount equal to 50% of the estimated cost each.

Or

c. One executed/completed contract as above, costing not less than the amount equal to 80% of the estimated cost.

3. Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.

4. The participating bidders should have GSTIN registration, PF registration, PAN card, ESI registration and labour license (if required).

For TN-28

1. Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 17.19 Lacs. For this purpose any one of the following documents may be submitted:

i. Audited Balance sheet of last three financial Years.

ii. Annual Return filed with IT Deptt / TDS certificate of last three financial Years.

iii. Copies of work orders executed.

2. The bidder must have an experience of having successfully executed / completed the work of maintenance of electrical equipments like DC system, HT/LT/DC motors, transformers, heaters/ switchgear. The bidder must furnish proof of execution of maintenance/ overhauling of at least one HT/LT/DC equipment in any plant capacity/ industries during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

a. Three executed/completed contracts as above, costing not less than the amount equal to 40% of the estimated cost each.

Or

b. Two executed/completed contracts as above, costing not less than the amount equal to 50% of the estimated cost each.

Or

c. One executed/completed contract as above, costing not less than the amount equal to 80% of the estimated cost.
3 Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.

4 The participating bidders should have class A electrical license, GSTIN registration, PF registration, PAN card, ESI registration and labour license (if required).

For TN-29

1 Average Annual Financial Turn Over in the preceding three completed financial years as on date of bid opening should not be less than Rs. 24.12 Lacs. For this purpose any one of the following documents may be submitted:

   i. Actual Balance sheet of last three financial Years.
   ii. Annual Return filed with IT Deptt / TDS certificate of last three financial Years.
   iii. Copies of work orders executed.

2 The bidder must have an experience of having successfully executed / completed the work of maintenance of electrical equipments like HT/LT motors, transformers, heaters/ switchgear. The bidder must furnish proof of execution of maintenance/ overhauling of at least one HT equipment in any plant capacity/ industries during last 7 years ending last day of the month previous to bid opening date with either of the following executed value(s) of the contract(s):

   a. Three executed/completed contracts as above, costing not less than the amount equal to 40% of the estimated cost each.

      Or

   b. Two executed/completed contracts as above, costing not less than the amount equal to 50% of the estimated cost each.

      Or

   c. One executed/completed contract as above, costing not less than the amount equal to 80% of the estimated cost.

3 Satisfactory performance certificate or satisfactory work completion certificate for above executed works should be signed by officer not below the rank of Superintending Engineer or order placing authority of concerned organization.

4 The participating bidders should have class “A” Electrical license, GSTIN registration, PF registration, PAN card, ESI registration and labour license (if required).

C. The bidder will have to register themselves on website http://www.eproc.rajasthan.gov.in for participating in this tender. For this purpose Digital Signature Certificate (DSC) have to be obtained from any agency approved by CCA. This DSC will be used to sign the bids submitted online by the bidder. Unsigned tenders will not be entertained and will be rejected out rightly.

D. The tender for works shall remain open for acceptance for the period of 120 days from the date of opening of pre-qualification/ technical bid or up to such period as detailed out in tender document.

E. If any tenderer withdraws his tender prior to expiry of validity period as mentioned at S. No. 6 or mutually extended period or makes modifications in the rates, terms and conditions of the tender within the said validity period, which are not acceptable to the department, or fails to commence the work in the specified period/ fails to execute the agreement, the department shall without prejudice to any other right or remedy be at liberty to forfeit the amount of earnest money given in any form
absolutely. If any contractor, who having submitted a tender does not execute the agreement or start the work or does not complete the work and the work has to be put to re-tendering, he shall stand debarred from participating in such re-tendering in addition to forfeiture of earnest money/security deposit and other action under agreement. If there is strong justification of believing that the tenderer or his authorized has been guilty of mal-practices such as submission of forged documents, influencing individually or politically, his offer will be liable to rejection and in such case his earnest money shall be forfeited.

F. All tenders, in which any of the prescribed conditions are not fulfilled or which have been vitiating by errors in calculations, totaling or discrepancies in figures or words or other discrepancies, will be liable to rejection.

G. No conditional tenders shall be accepted and will be rejected summarily forthwith.

H. The department will not be responsible for any delay on account of late submission of tender due to online submission.

I. Physical submission of bids is not allowed.

J. The bidder shall ensure that scanned copy of all the schedules as asked in tender document have been filled up and attached with the bid submitted in electronic format.

K. The acceptance of the tender will rest with the competent authority who does not bind itself to accept the lowest tender, and reserves to itself the authority to reject any or all the tenders received without assigning any reason.

L. No refund of tender fee/tender processing fee is claimable for tenders not accepted or forms not submitted.

M. All other conditions shall be prevailing as detailed out in the departmental tender document (in the respective sections/volumes).
