PRE-QUALIFYING REQUIREMENT

The firms participating in the tender enquiry should fulfill the following requirements:-

QUALIFYING REQUIREMENT FOR BIDDER:-

1. The bidder should be a "manufacturer & supplier" of "FR Grade Conveyor Belt width ≥ 1200 mm of having tensile strength not less than 1000 KN/M" and having in-house testing facility as per "IS:1891 (part V), ISO340, CAN./CSA/M422/M87 Type C, DIN 22131 (Part-1) IS-15427" as applicable.

2. The bidder should have supplied the above grade Belt to any "NTPC / Govt./Semi Govt./PSU/ BSE or NSE enlisted Company during last seven (07) years ending last day of month previous to the one in which applications are invited and should have executed either of the following:

   Three similar orders executed each costing not less than Rs.252 lakhs
   Or
   Two similar orders executed each costing not less than Rs.315 lakhs
   Or
   One similar order executed costing not less than Rs.504 lakhs.

3. The production unit from where the Bidder proposes to supply, should have the following manufacturing & process capabilities:

   i) Closed chamber mixing facility with auto set time & temperature control, for initial input including Rubber capacity of at least one such machine should be fifty (50) ltr. or above.
   ii) Capability of producing conveyor belt of 1200 mm width or higher.
   iii) Facility of forced cooling, by festooning the Rubber sheets immediately after mixing is over.
   iv) Three roll or above calendering machine to draw cover rubber in a single sheet with minimal entrapment of air bubble.
   v) Synchronized Roller stretching facility for pre-tensioning of Fabric Plies during Belt Building.
   vi) The Production Unit should have a transparent standard practice of traceability of end product (Belt) with Raw materials, or should have its process quality assurance duly ISO 9001 certified.
   vii) The Production Unit should have a standard practice of Rheological Tests.
   viii) The Production Unit should have Rubber Technologist(s) in regular payroll, and separate internal quality assurance wing/section/department. Documentary evidence(eis) required to be submitted in support of meeting above qualifying requirements shall be submitted
   ix) The production unit should have following testing/measurement facilities:-

   a. Drum Friction Test Arrangement as per CAN/CSA
   b. Abrasion Resistance Test apparatus & Standard Rubber Sample for cover rubber as per DIN:53516
   c. Arrangement for Flame Test as per ISO 340
   d. Arrangement for Electrical Surface Résistance Test as per CAN/CSA
e. Troughability Measuring arrangement with measuring instruments

f. Humidity & Temperature Controlled testing room / Chamber for samples conditioning.

g. Rheological Test Instrument(s)

h. Tensile strength for belt & cover as per IS:1891

i. Angular Tear Strength Test for cover as per ASTM D624 Type C

j. Oven for ageing Test

Self certification with details of the above facilities is required to be submitted in support of meeting above qualifying requirements. RVUN authorised representative / team may visit the production unit, if required, for assessment of above facilities.

4. Average annual financial turnover of the bidder during preceding three (03) financial years as on the date of bid opening shall not be less than Rs 1890 Lacs.

5. Similar orders mean “Manufacturer & supplier” of “FR Grade NN/EP Conveyor Belt width ≥ 1200 mm of having tensile strength not less than 1000 KN/M”.

NOTE:-

a. Other income shall not be considered for arriving at annual turnover.

b. In cases where audited results for the last preceding financial year are not available, certification of financial statements from a practicing Chartered Accountant shall also be considered acceptable.

c. The word “executed” means that the bidder should have achieved the progress specified in the QR even if the total order is not completed / closed. The same shall be supported by documentary evidence issued by the owner.

d. Annual reports/copy of audited P&L accounts/certified copies of P&L account, balance sheets.

e. Documentary evidence for being manufacturer issued by relevant Govt. authorities.

f. Copies of Purchase Orders, detailed specifications and corresponding Excise duty Invoices/delivery challans, inspection reports, despatch documents or other relevant documents etc. for proof of execution of Purchase Orders.

g. RVUN reserves the right to reject any or all bids or cancel/withdraw the NIT for the subject package without assigning any reason whatsoever and in such case no bidder/intending bidder shall have any claim arising out of such action.

6. The bidder will have to register themselves on website http://www.eproc.rajasthan.gov.in for participating in this tender. For this purpose Digital Signature Certificate (DSC) have to be obtained from any agency approved by CCA. This DSC will be used to sign the bids submitted online by the bidder. Unsigned tenders will not be entertained and will be rejected out rightly. All participating bidders will have to register themselves on ETS portal of M/s Telecommunications Consultations...
India Ltd. (https://www.tcil-india-electronic.tender.com) for participating in the Reverse Auction against this tender.

7. The tender for supply shall remain valid for the period of 120 days from the date of opening of technical bid.

8. If any tenderer withdraws his tender prior to expiry of validity period as mentioned above or mutually extended period or makes modifications in the rates, terms and conditions of the tender within the said validity period, which are not acceptable to the department, or fails to commence the work in the specified period/ fails to execute the agreement, the department shall without prejudice to any other right or remedy be at liberty to forfeit the amount of earnest money given in any form absolutely. If any contractor, who having submitted a tender does not execute the agreement or does not start the work or does not complete the work and the work has to be put to re-tendering, he shall stand debarred from participating in such re-tendering in addition to forfeiture of earnest money/ security deposit and other action shall be taken as per agreement/terms & conditions of the contract/tender. If there is strong justification of believing that the tenderer or his authorized person has been guilty of mal-practices such as submission of forged documents, influencing individually or politically, his offer will be liable to rejection and in such case his earnest money shall be forfeited.

9. All tenders, in which any of the prescribed conditions are not fulfilled or which have been vitiated by errors in calculations, totalling or discrepancies in figures or words or other discrepancies, will be liable to rejection.

10. Conditional tenders shall not be accepted and will be rejected summarily forthwith.

11. The department will not be responsible for any delay on account of late submission of tender due to online submission.

12. Physical submission of bids is not allowed.

13. The bidder shall ensure that scanned copy of all the schedules as asked in tender document have been filled up and attached with the bid submitted in electronic format.

14. The acceptance of the tender will rest with the competent authority who does not bind itself to accept the lowest tender, and reserves to itself the authority to reject any or all the tenders received without assigning any reason.

15. Tender fee/ cost, e-tender processing fee and Registration Fee for Reverse Auction Portal are not refundable in any condition. However, if Reverse Auction does not take place due to any reason then processing fee for Reverse Auction shall be refunded to bidders.

16. All other conditions shall be prevailing as detailed out in the departmental tender document (in the respective sections/ volumes).

Dy. Chief Engineer (TD- II)  
RVUN, Jaipur
